

If your child needs to miss a class, you **MUST** call to notify us before the class is missed. You will be able to schedule a make-up class in any class of the same level sometime during the next two weeks. Class must have room available; we will not overbook a class for make-ups. **You are allowed unlimited make-ups per four-week session. YOU CANNOT MAKE-UP, A MAKE-UP.** Make-up class must be scheduled at least a day before, you may not do a walk-in. Please note that Elite may call to reschedule your make-up class if someone will be enrolling in that class and there is only one spot available, as they do have priority over make-ups. You will be notified within 24 hours.
